# Car Slide

## **2003 Ford Taurus** SES Sedan

Exterior of our car is black.

Our car also has a sunroof.

It also has air conditioning.

It has leather seats.

It is a four door.

The cost of our car is \$4,995.

# Financial Profile

We had a very bad credit score so it was very hard to find a car that we could afford.

Our credit score was 625.

Our car was so old we had to pay it off in 2 years.

Our credit score was so high it increased the cost of the car.

The interest rate of the car was .1865.

The interest on the loan was \$2,203.34.

The total payback was \$8110.43.

And the monthly payment is \$337.93.

# Budget

We had to get a really old car to afford it.

We were under the budget, so it left us money for other needs.

We did not have to cut anything from our normal budget to afford our car.
